1. Opening

1.1 Call to Order

Chair Abbott calls the meeting to order 9:00 a.m.

1.2 Chair’s Opening Remarks

• Chair offers Season’s Greetings to everyone in attendance of the Board Meeting
• Chair acknowledges that we meet on the traditional lands referred to as Treaty 6 Territory.
Chair welcomes all members of the public and media to the meeting.
Chair reminds everyone that the meetings are voice recorded to help with the production of minutes and archival proposes.
Chair states she is happy to have CEO Karen Wichuk at her side. Chair acknowledges how CEO Wichuk has already been around to all but two of the municipalities and has been thrown right into the busiest season of the term so far.
Chair shares appreciation to Karen for accommodating a swift transition in her first six weeks, and shares appreciation to everyone in assisting in her on boarding. Chair states we are indeed a regional team!
Chair notes how we have now tackled a busy fall agenda, as noted in October.
Chair states that today will address some important work, and following the meeting we will move downstairs to celebrate 10 successful years of regional collaboration.
Chair thanks Karen for her fulsome CEO report in the agenda package. Chair lets everyone know that Karen will be available to answer any questions on the report when we get to agenda item #9.
Chair acknowledges that she has a few thank you’s to share with members and asks that everyone bear with her.
First, Chair acknowledges that members of the Board had a great day in the legislature last week – Chair thanks members who were able to join. In addition to the introduction in session to the MLAs by Minister Anderson, they were able to meet with both Government Ministers and Opposition MLAs to share the story of the EMRB’s success, value and return on investment. It was a good start and they will continue this messaging into the pre-election period in the coming months.
Chair thanks everyone who has contributed to the planning and execution of the celebration event - and defacto Board reunion – taking place later today. Chair shares that we are expecting about 200 people in the Grand Ballroom at noon, to share in the recognition of work of past and present members. Chair asks that everyone please join in on networking and a short program. Chair offers many thanks to each of the municipalities who have helped create a unique guest take-away consisting of local products from each part of the region.
Chair wishes Mayor Doblanko a Happy Birthday.
Chair ends by thanking everyone for submitting their Regional Context Statements on time as requested.

2. Approval of Agenda

Chair Abbott informs Board members of the request to add an additional In Camera item, focusing on Regional Collaboration – Regional Success, under Section 21 – Disclosure Harmful to Governmental Relations. Chair also suggests we reorder the In Camera items, putting 11.1 Bill 32, 11.2 Regional Collaboration – Regional Success and finishing with 11.3 HR Matters to help with logistics for individuals in the room, asking that only EMRB Members sitting at the table remain in the room for Item 11.3 HR Update.

Chair also suggests given the timeline and the amount of important items to discuss that we
defer Item 6 Regional Agriculture Master Plan Task Force and Item 7 Metropolitan Region Servicing Plan Task Force to the next Board Meeting as these Items are primarily updates and the delay will not impede the work of the Task Forces.

Chair asks for member indulgence to potentially defer Item 4.2 REF Evaluation Criteria and 5.7 Regional Context Statements to the bottom of the agenda if time permits.

Chair allocates up to one hour each for Item 4.1 Sturgeon Valley Special Study Area and to 5.3, 5.4 and 5.5 Shared Investment for Shared Benefit as a guide to ensure we get through the core items on the agenda.

Chair Abbott updates members on the previous Executive Committee meeting on November 8 and how members reviewed a proposal for the Corporate Policy Review. Stating that all of our policies are actually out of cycle, Chair touches on how Administration brought forward a process to develop a framework for policy review.

5.2 Board Chair Interim Review Process

Chair Abbott suggests hand off of the Chair to Mayor Choy for the first motion and CEO Wichuk for the section motion to avoid any conflict of interest. Mayor Choy assumes the Chair and asks Mayor Young, Vice Chair of the Executive Committee to introduce the item.

Mayor Young introduces the motion for consideration, providing background information to members on how the Board Chair was appointed over a year ago, stating while the current policies account for annual review of Chair it does not account for Board Appointed Chairs. Mayor Young shares that the Policy will be updated in 2019, but in the meantime, the Executive Committee supported the proposed Interim Process for evaluating the Chair’s performance. Mayor Young concludes that the evaluation provides the Board with opportunity to give valuable feedback to the Board Chair.
