Economic Development and Trade Outcomes Tied to the Growth Plan

ECONOMIC DEVELOPMENT AND TRADE
Ministry Outcomes:
• Alberta’s EcDev policies and programs support a sustainable and more diversified economy
• Trade and investment opportunities are grown by leveraging Alberta’s strengths and capabilities
• Alberta’s publicly funded research and innovation system contributes to its sustainable prosperity

RELEVANT PLAN OBJECTIVES: POLICY 1 ECONOMIC COMPETITIVENESS AND EMPLOYMENT
• 1.1 Promote global economic competitiveness and diversification of regional economy
• 1.2 Promote job growth and the competitiveness of the Region’s employment base
• 1.3 Enhance competitiveness through the efficient movement of people, goods and services, to, from and within the Region
• 1.4 Promote livability and prosperity of the Region and plan for the needs of a changing population and workforce

Challenges to Which the Growth Plan Responds:
• Doubling of population to 2.2 million in 30 years
• Global economic competitiveness
• Climate change and environmental impacts
• Housing diversity and supply of non-market housing
• Long-term cost of growth and infrastructure
• Transportation choice/multi-modal
• Viability of the agriculture sector
• Changing political and governance context
• Changing demographics

Economic Development and Trade in a Prosperous Region

We are the Edmonton Metropolitan Region — a diverse group with one common goal — to make the best decisions possible for the citizens of the area and the Region. We are committed to working together as the Capital Region Board (CRB) to ensure long term economic prosperity and quality of life for all citizens of the region.
