Dear Mr. Varro,

Re: Referral of Town of Stony Plain's Municipal Development Plan Amendment (Bylaw 2597) and the Tussic Area Structure Plan (Bylaw 2598)

Please accept this letter as a formal withdrawal of our application (REF 2018 - 011 Town of Stony Plain - New ASP/MDP Amendment).

On December 10, 2018, a public hearing was held for these bylaws. Subsequently, our Council gave second readings to both bylaws and directed Administration to work with the Developer to amend the high density residential and commercial placement in the plan before the Tussic Area Structure Plan comes back for third reading.

This amendment will change the contents of our application to the Edmonton Metropolitan Region Board and the Town feels that it will be best to withdrawal our application and resubmit it once it has been revised to meet our Council direction.

Please feel free to contact me at 780-963-8651 or m.dibble@stonyplain.com with any questions or concerns regarding this application withdrawal.

Sincerely,

Miles Dibble
