CAO Vicki Zinyk
FCSS

Winter Wear Depot
On October 27, 2016, the Sturgeon Community Resource Network (SCRN) in partnership with the Town and United Way, brought coats, snow pants, toques, mittens and scarves to give away to people/families in need in Bon Accord.

SCRN Meeting
Attended the Sturgeon Community Resource Network semi-annual meeting. Attached are the most recent stats that I have from the Network. The Program Coordinator and I have been working closely on two major cases in the past 2 months.

Community Outreach
- Attended the Golden Gems Halloween Party.
- Had a meeting with the Principal at Lilian Schick School.
- Dropped in to see the Principal at the Bon Accord Community School
- Meeting with CSAB member to discuss Healthy Bon Accord Initiative
- Attended a Library Programming Meeting
- Planning a Community Group Potluck

Trauma Informed Care
Attended a two-day training course put on by the St. Albert Sturgeon Early Years Coalition (SASEY) about Trauma Informed Care. It reinforced some of the practices the Community Services Department already employs as well as gave new ideas on how to make people feel safe and trust you in their times of need.

Recreation

Programs for People
Created and submitted material to the Sturgeon Adult Learning Council Coordinator for the Winter/Spring Programs for People.

Winter Wonderland
Contacting all the groups that are usually involved with Winter Wonderland and touching base with other groups to see if they would like to add anything to the event.
Budget
Attending budget meetings and adjusting Community Services Budget where necessary.

Reception Center Training
Planning Reception Center Training through the Alberta Emergency Management Association for the regions volunteers. Bon Accord will have 4 volunteers in attendance on November 19th for the training. There will be 25 in total attending from Sturgeon County, Legal, and Morinville.

Upcoming Events

Winter Wonderland
Friday December 2, 2016
This will involve a tree lighting, carols, and hot toddies. I would ask for one Councillor to volunteer to help judge the Decorate your Yard Contest prior to the Tree Lighting.

Saturday December 3, 2016
The activities this day will begin around 10am.

SUNFLOWER COMMUNITY RESOURCE PROGRAM

Data Analysis Sept 2016

Statistics:
In Sept 2016, the Sunflower Community Resource Program received a total of 87 requests for information and referrals. 34 of those requests were repeat clients.

Of the 87 requests received:

- There were 49 requests for basic needs of food, shelter or clothing.
- Unique Needs:
  - Two teenagers living in a tent in Bon Accord. In addition to being contacted by the clients we were also contacted by concerned residents.
  - Morinville resident who is currently not working. Husband has health issues and unable to work consistently. Recently took in mom who has Alzheimers.
  - Redwater resident needing overnight childcare. Legal and financial issues.

Trends:
We can orders have picked up. We have also seen an increase again in people needing financial assistance. People are beginning to come in looking for winter jackets. We have also been able to connect 10 families in the sturgeon region with donated Thanksgiving hampers.

Community Break Down:
For the month of September we saw the following numbers from each community:

We are offering Parent Child Mother Goose in Redwater and Gibbons this Fall and in Morinville and Bon Accord over winter. I am looking into a partnership with Sturgeon Family Literacy to offer a program in Legal but it doesn’t look like that will be an option this year. Hoping we can get something set up for next year.

We have been getting really great feedback on our program and it has been so nice to partner with the libraries on this venture.

I really enjoyed taking part in many Meet the Community Events to meet with the people in each community to share what we can offer for them and their families. September is a very busy month but it was filled with such wonderful activities.

Cindy Westra
Early Childhood Development Initiative Coordinator
OPERATIONS REPORT (PW)

NOVEMBER 2016

Public Works
- Continued with the next phase of budget preparations, including a PW presentation on November 5th.
- Superintendent prepared RFD’s for the Arena Condenser/Brine system work.
- Superintendent, Admin Assistant and a Public Works Operator attended the NAIG Meeting (Alberta Public Works Association) in Bruderheim on October 18, 2016.
- Vehicle maintenance was performed on all equipment in October.
- Public Works held an Operational Team Meeting on October 13th; Barry Sturrock conducted a Safety Meeting for PW staff prior to the team meeting. Kudos to Barry for a great Safety meeting!
- Superintendent attended the ACRWC Wet Weather Workshop in Fort Saskatchewan on October 19th.

Admin Building
- Lights were replaced at Town Office and Fire Hall.
- The old communications towers were removed from atop Admin roof.

Roads
- Had our first snowfall in October resulting in staff having to apply sand to intersections and areas throughout town.
- Gravel was added to alleys throughout town.
- Winter banners were put up on 47th Avenue.

Water
- The water distribution pump “motor” was removed for repairs on October 25th. Pumped was repaired and reinstalled on October 31st.
- Hydrant #52 was repaired on November 3rd.
- Monthly water reads occurred on October 31.
- Performed 8 Alberta 1st Calls this period.

Cemetery
- One Burial/grave this past month.

Sewer – Sanitary & Storm
- A Break and Enter occurred at the Lagoon on November 3, 2016. While PW staff were attending the lagoon they noticed the gate had been broken. After entering the lagoon, they witnessed a white truck start up, then sped away running through the south fence causing even more damage. Repairs were undertaken and fence is secure again. Minimal dollars damage to our fence. RCMP was contacted and a report has been filed.
- Two (2) storm culverts were purchased for alley installations.

Arena/Parks & Recreation
Rather than building a bridge for the walking trail, PW's extended a culvert and finished trail off with asphalt. This was more cost efficient as well as aesthetically pleasing.

All furnaces at the Arena were inspected and serviced in October.

A Red Strobe Warning Light was installed on the outside of the Zamboni door as a safety precaution for pedestrians and vehicles passing by this door while Zamboni is outside dumping ice/snow.

A false alarm occurred at the Arena on November 2nd due to a child pulling a fire alarm. The RCMP, Fire Department and the PW on-call person responded.

**Training**

- Four (4) PW/Recreation staff completed Front-End Loader training on November 1st hosted by AMHSA. This training was held in-house at the PW Shop.

**Summary**

This concludes my report ending November 8, 2016. If you have any questions, please feel free to contact me at any time.

ASSISTANT CHIEF ADMINISTRATIVE OFFICER
NOVEMBER 2016

Administration

2017 Budget
Budget deliberations have commenced and supported by the 2016 council retreat along with open house discussions and the recent resident survey. So far council has heard from public works/parks, emergency services, administration, community services and recreation. A capital budget was also provided and meetings will continue with Council to formulate Council’s budget for 2017.

Management Meetings
Meetings completed in October/November mainly covering 2017 budgeting. Ongoing staff update meetings also completed.

Staff
November is family violence month – staff wearing purple in support of this recognition through the month of November.

NWR Bus stop/pick up location
Discussions with NWR regarding the bus pick up location for workers. The previous location was at the arena however road infrastructure did not support the weight of the bus. Subsequently, bus pick up was moved to 47 Street. Workers will be asked to park elsewhere, such as possible commercial parking lots that may require a parking fee to be paid to business owners. This will allow us to keep 47st clear for winter snow removal and return to short term parking this road was initially intended for.

Rental House
Low showings, rent amount reduced $1000 per month and advertising/signage updates.

Trail Naming
Residents submitted trail names. These names were reviewed by an internal committee who provided three recommended names to Council for final selection. The winning trail name, was submitted by three different residents, the only name to receive this many resident submissions. We are proud of our dark sky designation and look forward to this naming being part of the future of the Town of Bon Accord as we strengthen our commitment to Economic Development through this initiative.

Economic Development/Planning Department

Economic Development Committee
Members attended a Webinar that discussed CARE and the initiatives it supports. The EDC attendants agreed it would be best to review this program more with the committee and look at
Interest and ideas for an application in April of 2017. Further details from EDC regarding this possible submission to be made available to council once they have agreed recommended options.

Planning - MDP
Attended the Municipal Development Plan (MDP) open house with council where our consultants from MPS provided a presentation of our draft MDP. This event was well attended by the public who provided information and feedback that MPS received and is going to incorporate into the document. MPS is preparing the drive document for its first reading for the next council meeting in November.

Annexation
Administration has sent comments back to the engineering company to assist with the draft report that was received in September. At time of report, we are still awaiting the financial report anticipate receipt very shortly. Administration is preparing for Annexation Committee Meetings expected in late November and into December 2016. Our committee will be contacted shortly once a selection of dates has been determined.

Meetings/Events Attended
- Managers Meetings – Preparing 2017 budget with managers for council.
- Budget meetings – October 19th, November 1st and 5th.
- Attended the jewel box Halloween lunch event a well attended event with a variety of costumes put together by the seniors. Utilize opportunity to meet community people as part of succession planning
- Coffee with Council Open House - Council reviewed survey results received from the public. Interesting survey results show hardcopy newsletter is the highest received form of communication that the public receives
- CRB Governance meeting October 27th
- EDA – Ministry Dinner/Mixer – evening of October 27th
- Bon Accord Library Board Meeting – November 7th – part of meeting local representatives
- Attended the Pottery Store event as part of Ec/Dev
- Remembrance Day ceremonies at both schools in Bon Accord

Steve Madden
Assistant CAO
Town of Bon Accord
Safety and Environmental Compliance Officer
Director of Emergency Services

October 12 to November 8, 2016

October report

- Did monthly worksite safety inspections
- Deal with issues on non-compliance of development permit with resident
- In conjunction with MPS representative Kyle Miller deal with development permit issues and Land use bylaw issues regarding signs.
- AEMA (Alberta Emergency Management Agency) field representatives attended the town office for their yearly inspection. All went well
- Work on reviewing fire services agreement with Sturgeon County

Attended

- Budget preparation meetings
- Managers meetings
- Staff meetings on council updates
- Public Works Safety Meeting
- Attended Economic development meeting to present and discuss the sign section of the new land use bylaw
- Open house meeting on the municipal development plan
- Regular Council meeting on Oct 18 and Nov. 1
- COTW meeting on budget
- Open house and then council meeting at the Jewel Box
- Meeting with business owner in regards to upgrader employee parking.

Barry Sturrock
Finance

Operating and Capital Budget
Further to several budget meetings held to review and align on departmental objectives and service related costs for 2017 and beyond, the budget process is nearing completion. The final components to be addressed relate to capital programs and plans. Council are expected to provide approval of both the capital and operating budgets on December 6, 2016.

Administration

Recreation Agreement
The annual Sturgeon County grant, Recreation Agreement, remains outstanding and requires Council Approval. The agreement is intended to assist in the funding of recreation related initiatives and facility costs that are generally shared by both residents of the Town and of the County. The delay in its execution surrounds the change in direction of Sturgeon County to not include arena costs as part of its calculation of contribution. This was a key component of the two reviews conducted over the past four years. While the Town will accept the funding in 2016, the amounts funded to not only Bon Accord but the other municipalities within the Sturgeon Region, falls well short of the industry standard. This challenge will need to be further addressed by the committee, a group of representatives (Mayors and CAO’s) from the sub region.

Community Engagement
A “Coffee with Council” was held at the Jewel Box on October 19, 2016 to engage and respond with residents on the direction of the Town, survey results, and areas of discussion such as annexation.

Ministers Dinner
Attended the Economic Developers of Alberta Ministers Dinner on October 27, 2016. The event provided an opportunity to meet with ministers and/or deputy ministers from a multitude of ministries to gain insight into plans and positions with respect to municipal impact. The more pertinent topics included the uncertain future of Municipal Sustainability Initiative (MSI) funding and a discussion on small community participation in the Capital Region Board (CRB). The meetings also provided an opportunity to promote Bon Accord and its Dark Sky Designation in addition to planting the seed to acquire future funding of infrastructure and a potential observatory.

Legislature Recognition
Bon Accord was showcased, through our MLA Colin Piquette’s Member Statement, at the November 7, 2016 Legislature Assembly. Our MLA provided an overview of Bon Accord’s commitment to brand (Culture, Education, and Environment), our Equinox success, and the achievement of becoming Canada’s first Dark Sky Community.
Planning and Economic Development

Annexation
Efforts are ongoing in this area. The last while has been focused on finalizing the engineering and financial impact reports. Next steps include the resident, within the proposed annexation area, consultations in addition to discussions/negotiations with Sturgeon County.

Municipal Development Plan
Further to previous resident consultations, the Town’s Municipal Development Plan Bylaw is being brought forward to Council for first reading on November 15, 2016. The plan is intended to provide guidance into future development and is considered to be an important planning tool for efficient land use planning.

Vicki Zinyk
Chief Administrative Officer
Town of Bon Accord
Oct 18, 2016  
Attended the Municipal Develop Plan open house

Oct 18, 2016  
Attended the Organizational Meeting

Oct 18, 2016  
Attended the regular meeting of Council

Oct 19, 2016  
Attended the Council Open House highlighting the accomplishments of Council and staff over the past year and what we have yet to complete.

Oct 19, 2016  
Attended the Committee of the Whole for the 2017 Budget

**Other Notes:**
I attended two (2) meetings of the Veterans Park Memorial Society.

I remain hopeful that the Capital Region Board will prove beneficial to both the Town of Bon Accord, and the other member municipalities.
Report on 2016 AUMA

1) Registration
