Report
The purpose of Bylaw 22-2019 is to amend the MDP to incorporate approximately 106 hectares (262 acres) of land in the NE 2-53-22-W4 and Pt. of SE 2-53-22-W4 into the Hamlet of Ardrossan boundary and to re-designate this land from Country Residential Policy Area to Hamlet Policy Area.

Bylaw 22-2019 is being proposed to facilitate concurrently proposed Bylaw 23-2019, which proposes to amend the Country Residential Area Concept Plan (ACP) to remove the subject land from the ACP boundary, and Bylaw 24-2019, which proposes a new Ardrossan East Area Structure Plan (ASP). The intent of these concurrently proposed bylaws is to enable consideration for development of a complete community in the context of a rural hamlet.

Should Bylaws 22-2019, 23-2019 and 24-2019 be adopted, Land Use Bylaw amendments to add zoning districts specific to the expansion area would be required to be prepared for Council’s consideration and subsequent rezoning would have to occur prior to subdivision and development approvals.

Public open houses were held on August 25, 2015, December 7, 2017 and May 23, 2019 for the concurrently proposed amendments to the MDP, ACP and ASP.
The proposed MDP amendment was circulated to internal departments and external agencies for review. No objections were received.

Should Council give Bylaw 22-2019 first reading, it will be referred to the Edmonton Metropolitan Region Board for approval prior to being brought forth to County Council for consideration of second and third reading.
